

Landscape Subcontractor for Custom Builders & Remodelers in Memorial, Katy and West Houston

Final grade, sod, beds and walkways on your schedule, with one point of contact.

Julio's Landscape TX is a landscape subcontractor for custom builders and remodelers doing one to twenty houses a year in the Memorial Villages, Spring Branch, Katy and Fulshear (77024, 77055, 77494, 77441). You get one price per lot, and the owner on site talks with your super in English or Spanish. Sod goes down 24 to 72 hours after final grade, keeping inspections on track. We answer within 1 hour · free quote today.

Scope of work

Final grade touch-up and sod. One pallet covers about 450 square feet; a 5,000 to 8,000 square foot lot takes 10 to 18 pallets, laid 24 to 72 hours after final grade.

Front yard package. Foundation beds with 8 to 12 shrubs, steel edging, hardwood mulch, sod to the curb.

Walkways and rock. Paver front walk or decorative rock strips on a compacted base, to your plan.

Trees. Two 30-gallon trees planted and staked per the plat or the ARC requirement.

Post-construction cleanup. Yard raked, driveway and sidewalk pressure-washed, debris hauled.

Not included. Sprinkler systems. Get your irrigation sub in before our sod date; we work around the heads.

How we fit your schedule

01

Site walk

We walk the lot with your super, check grade and drainage, and confirm what the plat or ARC requires.

02

A quote per lot

One written quote per lot, package and extras priced separately. Repeat lots in the same community reuse it.

03

We install on your date

Scheduled from your final grade date: sod 24 to 72 hours later, beds and walkways on the same visit if the plan allows.

04

Final walk-through

We walk the yard with the homeowner, leave the watering plan, and stay reachable through the three weeks of rooting.
